1. Welcome

Lane Trotter, Committee Chair extended a warm welcome to all in attendance and expressed grateful acknowledgement of the Coast Salish Territory on which the meeting took place.

2. Studio Development Status Update and Questions

- x Members were provided with an overview of the RFPQ process as well as an update of progress to date. It was confirmed that the Evaluation Committee has reached an agreement to move forward with one of the several submissions. At present, there will be no movement to proceed to the next stage of the process with the successful proponent. Rather, engagement discussions have begun and will continue. To that end, Lane and Geoff have already travelled to the site for an initial discussion. There is much to do and more discussions will take place in the coming months.

- x A member asked for a break-down of steps in the procurement process and Lane provided details.

Overview of Due diligence steps taken to date :

a) Land Title search was completed September 14, 2022

b) Potential for traffic impact continues to be a major and ongoing focus
